STARGATE ATLANTIS -- "THE EYE" -- Episode #111

TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:25 FORD (V/O): Previously on Stargate: Atlantis...

01:00:02:00 SHEPPARD (V/O): It can't be a storm.

01:00:03:23 SHEPPARD (CONT'D): It stretches across the whole horizon.

01:00:05:21 SHEPPARD (CONT'D V/O): This must cover 20% of the planet.

01:00:07:21 MCKAY (O/S): If you want everyone to live...

01:00:08:17 MCKAY (CONT'D): you gate them off world.

01:00:09:18 COWEN: Within the next hour, there will be less than 10 people...

01:00:11:22 COWEN (CONT'D O/S): on Atlantis. We cannot afford to pass up this opportunity.

01:00:15:11 MCKAY: What is the one thing keeping us from having a shield?

01:00:19:25 MCKAY (CONT'D): Electricity.

01:00:20:17 ZELENKA: Atlantis is designed...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:00:21:10 ZELENKA (CONT'D V/O): to withstand substantial lightning strikes. There are lightning rods all over the city.

01:00:24:12 MCKAY (V/O): If we disable the grounding stations, that energy could conceivably be used to charge up the shield...

01:00:29:26 MCKAY (CONT'D): generators.

01:00:30:17 FORD (O/S INTO RADIO): We decided to wait out the storm...

01:00:32:03 FORD (INTO RADIO CONT'D): in the Jumper.

01:00:35:15 (GUN SHOTS)

01:00:38:07 SHEPPARD (O/S): From what I can...

01:00:39:07 SHEPPARD (CONT'D): ascertain, a small Genii strike force has gated in.

01:00:41:18 MCKAY: Why are you doing this?

01:00:42:27 KOLYA (V/O): You are in possession of supplies we vitally need--the C4 explosive,

01:00:46:22 KOLYA (CONT'D): all of your medical supplies.

01:00:48:06 KOLYA (CONT'D V/O): As of right now...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:00:50:06 KOLYA (CONT'D): we are in control of Atlantis.

01:00:52:20 KOLYA (CONT'D INTO RADIO): Say goodbye to Dr. Weir.

01:00:55:10 FORD (V/O): And now the conclusion...

END OF RECAP

STARGATE ATLANTIS -- "THE EYE" -- Episode #111**TEASER**

01:00:59:01 SHEPPARD (INTO RADIO): Kolya!

01:01:01:14 SHEPPARD (CONT'D VO/ OVER RADIO): Kolya...

01:01:03:19 SHEPPARD (CONT'D INTO RADIO): don't do this!

01:01:06:00 MCKAY: How is this going to help you get what you want?

01:01:08:07 KOLYA: Sheppard put you in this position, not me.

01:01:10:17 MCKAY: You can't do this. This is crazy.

01:01:12:08 MCKAY (CONT'D O/S): You need her.

01:01:13:04 SORA: She's right, Commander.

01:01:14:15 MCKAY: I'm not kidding. There are codes required to activate the shield, codes
that only she knows. You can't do it without her.

01:01:22:00 MCKAY (CONT'D): Well, you can't do this without me either.

01:01:22:25 MCKAY (CONT'D O/S): I mean, we're a package deal.

01:01:24:13 MCKAY (CONT'D): I mean, you take us out of the equation, and you don't have
an end game.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:01:31:00 MCKAY (CONT'D): Granted, that's a chess term. My point is we're the only ones who can fix the grounding station.

01:01:35:22 MCKAY (CONT'D O/S): We're the only ones who can activate the shield. We're the only ones that can solve problems I can't even think of yet.

01:01:39:05 MCKAY (CONT'D): You kill either one of us, and you don't get what you want.

01:01:41:27 MCKAY (CONT'D O/S): That's how important we are.

01:01:43:02 WEIR: Rodney. Rodney, he gets it.

01:01:54:02 WEIR (CONT'D): I appreciate--

01:01:55:27 SORA (INTERRUPTING): You're an asset we need to complete this mission.

01:02:03:13 WEIR: You stepped in front of a gun for me.

01:02:05:17 MCKAY: Don't thank me just yet. We've got two and a half hours till the storm hits, and unless our luck changes drastically, this city is going to be obliterated.

01:02:29:08 KOLYA (INTO RADIO): Major Sheppard, how's this for credibility? Weir is dead.

01:02:36:10 SHEPPARD (INTO RADIO): I'm going to kill you.

01:02:38:23 KOLYA (V/O OVER RADIO): Maybe.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:02:39:29 KOLYA (CONT'D INTO RADIO): Stay out of my way, or McKay will join her.

END OF TEASER

STARGATE ATLANTIS -- "THE EYE" -- Episode #111**ACT ONE**

01:04:36:28 LADON: This is amazing.

01:04:44:27 LADON (CONT'D): There you are.

01:04:48:27 LADON (CONT'D): We're here.

01:04:49:09 LADON (CONT'D O/S): Take two men, head there.

01:04:52:03 LADON (CONT'D): Four levels down. That's Sheppard.

01:04:56:08 GENII SOLDIER: Yes, sir. Let's go. You're with me.

01:05:01:06 LADON (O/S): He's heading out of the hallways.

01:05:25:16 (TREE CRASHING TO THE GROUND)

01:05:26:28 FORD: Holy--

01:05:27:19 BECKETT: All right. That's it!

01:05:30:11 FORD: What are you doing, man?

01:05:31:23 BECKETT (O/S): Adding weight to the Puddle jumper...

01:05:32:23 BECKETT (CONT'D): by resetting its inertial dampeners.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:05:35:02 FORD: You shouldn't screw with those controls. We're heavy enough.

01:05:36:28 BECKETT: Can't be too careful.

01:05:38:08 FORD: Yes, you can. You can be way too careful.

01:05:41:12 FORD (CONT'D): There's no chance we're going to blow away here. Let it go.

01:05:44:00 BECKETT: That should be enough.

01:05:45:29 TEYLA: How much longer until the storm passes?

01:05:47:22 BECKETT: I guess we're barely halfway through, but there's no way to tell.

01:05:59:14 FORD: You know, I hope they're okay, too.

01:06:51:15 BECKETT: What's this then?

01:06:54:18 FORD: We're through it?

01:06:55:22 BECKETT: We can't be.

01:06:57:20 BECKETT (CONT'D O/S): It's not possible.

01:07:28:14 LADON: He's moving.

01:07:37:25 GENII SOLDIER (O/S): Are you sure we're on the right level?

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:07:53:02 GENII SOLDIER (CONT'D V/O OVER RADIO): Where did he go?

01:07:54:21 LADON (INTO RADIO): Shh. He can probably hear your stupid questions.

01:08:17:27 MCKAY: Oh, will you look at this? Now, that is just...

01:08:24:27 MCKAY (CONT'D): That is just never going to be useful again.

01:08:37:27 MCKAY (CONT'D): I should be able to bypass this switching station entirely.

01:08:40:23 KOLYA: Good. How long?

01:08:42:11 MCKAY: It's not half as bad as it looks. I'd say 15...

01:08:45:23 MCKAY (CONT'D O/S): 20 minutes tops.

01:08:46:27 KOLYA: Do it.

01:08:49:00 MCKAY: Dr. Weir, I need you to...

01:08:49:26 WEIR: Right, of course.

01:08:53:22 MCKAY: Keep that there.

01:09:36:01 FORD: We're in the eye.

01:09:38:25 BECKETT: Right. Has to be.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:10:05:05 BECKETT (CONT'D): through the storm, Lieutenant. It's insanity.

01:10:07:09 FORD: This is not insanity. This is a spaceship. We can fly up and over.

01:10:09:28 BECKETT: Straight up and down?

01:10:10:19 FORD: Straight up and down.

01:10:11:24 BECKETT: I'm a bloody medical doctor, not a magician.

01:10:14:04 FORD: You can do it.

01:10:14:24 BECKETT: Teyla?

01:10:15:24 TEYLA: If we can help, we must.

01:10:17:15 BECKETT: Oh! Oh, crap.

01:10:24:03 LADON (INTO RADIO): 20 feet away.

01:10:35:28 LADON (CONT'D V/O OVER RADIO): Five feet.

01:10:37:19 GENII SOLDIER (INTO RADIO): There's so much smoke. Which way?

01:10:44:04 LADON (INTO RADIO): You're right on top of him.

01:10:45:02 GENII SOLDIER (V/O OVER RADIO): Yeah? I think I would see him...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:10:46:19 GENII SOLDIER (CONT'D INTO RADIO): if I was.

01:10:48:10 LADON (INTO RADIO): Stand by.

01:10:59:14 (GUNFIRE OVER RADIO)

01:11:01:20 LADON (INTO RADIO): Do you see him?

01:11:05:00 LADON (INTO RADIO CONT'D): Did you get him? Report.

01:11:19:03 SORA (V/O OVER RADIO): Commander.

01:11:21:00 KOLYA (INTO RADIO): Yes, Sora.

01:11:23:04 SORA (V/O OVER RADIO): Ladon had been leading three of our men on a reconnaissance mission.

01:11:25:18 SORA (CONT'D INTO RADIO): It seems Major Sheppard has killed three more of our strike team.

01:11:30:03 KOLYA (O/S INTO RADIO): Tell everyone to move back to the control room.

01:11:32:08 SORA (V/O OVER RADIO): Right away, sir.

01:11:36:17 WEIR: Why did you tell him you could have this fixed in 15 to 20 minutes?

01:11:40:08 MCKAY: Oh, I don't know. Maybe so he wouldn't kill us.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:11:43:18 WEIR: I understand that, but once the shield is operational, we won't be very useful, now, will we?

01:11:47:28 MCKAY: Why did you let me tell him I could fix it in 15 or 20?

01:11:51:25 WEIR: You just have to stall him some more.

01:11:53:13 MCKAY: Well, I just told him how long it'll take.

01:11:55:26 WEIR: Find another problem with it. Tell them that the power loop interface isn't jiving with your...

01:12:01:08 WEIR (CONT'D O/S): walkabout, something.

01:12:02:05 MCKAY: "Isn't jiving"?

01:12:03:12 WEIR: Rodney, you get my point.

01:12:04:26 WEIR (CONT'D O/S): Though from the sounds of it, if we can buy Sheppard enough time...

01:12:08:20 WEIR (CONT'D): it seems like he can take care of the rest of them on his own.

01:12:13:22 KOLYA (INTO RADIO): Radio Chief Cowen. Tell him to send reinforcements...

01:12:16:22 KOLYA (CONT'D O/S INTO RADIO): a full company.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111**ACT TWO**

01:12:51:12 SHEPPARD: Okay. What would McKay do?

01:13:03:12 FORD (V/O): You're coming in a little steep, Doc.

01:13:06:03 BECKETT (V/O): Thank you, Lieutenant. I'm very aware of that.

01:13:08:03 FORD (V/O): I told you not to play with the inertial dampeners.

01:13:10:15 BECKETT (V/O): I'm pretty sure I got them back where they were. Why don't you
try to contact the Major?

01:13:14:27 FORD (V/O): First, you got to get us in there.

01:13:17:15 BECKETT (V/O): Come on.

01:13:37:16 LADON: What are you up to?

01:13:46:13 SORA: What's he done now?

01:13:50:26 LADON: I should have seen this coming.

01:13:58:09 SORA (INTO RADIO): Commander. Major Sheppard has cut power to the control
room.

01:14:02:26 KOLYA (INTO RADIO): How?

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:14:06:11 LADON (V/O OVER RADIO): It looks like Atlantis...

01:14:07:11 LADON (CONT'D INTO RADIO): is being powered by five small generators, each responsible for a separate area of the city.

01:14:11:18 LADON (CONT'D O/S INTO RADIO): Major Sheppard has just disabled the one generator that powers...

01:14:14:21 LADON (CONT'D INTO RADIO): Stargate operations in this tower. Now, we still have most primary operations. We have definitely lost all secondary systems.

01:14:28:16 KOLYA (INTO RADIO): Can you still track Sheppard?

01:14:32:01 SORA (INTO RADIO): No.

01:14:35:02 KOLYA (INTO RADIO): And we have no idea where he is now?

01:14:37:01 SORA (V/O OVER RADIO): No, sir.

01:14:42:12 KOLYA (V/O OVER RADIO): Is the control room secure?

01:14:44:09 SORA (V/O OVER RADIO): Yes, Commander. I suggest we send some men to guard the remaining generators.

01:14:49:08 KOLYA (V/O OVER RADIO): No! He's trying to divide us into manageable numbers.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:14:52:13 KOLYA (CONT'D O/S INTO RADIO): Just hold Stargate operations until the reinforcements arrive.

01:14:56:13 SORA (V/O OVER RADIO): Understood.

01:15:09:06 MCKAY: If he asks what's taking so long, you have to do all the talking, okay?

01:15:11:23 WEIR: You'll be fine.

01:15:13:00 MCKAY: No, no, I won't. I'm a terrible bluffer. I've lost small fortunes at poker.

01:15:16:21 MCKAY (CONT'D O/S): My eye twitches. I laugh inappropriately.

01:15:18:26 MCKAY (CONT'D): It's not pretty.

01:15:20:04 KOLYA: What's our progress?

01:15:23:17 WEIR: We've hit a small snag. We're just running a diagnostic to make sure we can interface our codes properly.

01:15:32:29 MCKAY: It's a small snag, small snag. It's, like, half an hour at the most.

01:15:39:00 LADON (V/O OVER RADIO): Commander Sheppard...

01:15:39:26 LADON (CONT'D INTO RADIO): has just disabled another generator.

01:15:41:14 KOLYA (V/O OVER RADIO): Yes, Ladon...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:15:42:14 KOLYA (CONT'D INTO RADIO): I'm aware of that. He's cut the power to
grounding station three.

01:15:46:20 KOLYA (CONT'D): Can it still be repaired?

01:15:52:17 MCKAY: Without power? No.

01:15:56:14 KOLYA: Can the plan be completed without it?

01:15:58:16 KOLYA (CONT'D O/S): The other three grounding stations have been disabled.

01:16:01:25 MCKAY: No. No, it's just not good enough.

01:16:04:03 MCKAY (CONT'D O/S): Look, by uncoupling the grounding stations, it means...

01:16:07:13 MCKAY (CONT'D): that when lightning strikes the city, the electricity will have
nowhere to go.

01:16:11:02 MCKAY (CONT'D O/S): Now, if we can channel the electricity properly through
the conduits that line the city corridors...

01:16:16:06 MCKAY (CONT'D): we should be able to power the shield...temporarily.

01:16:19:10 MCKAY (CONT'D O/S): If any of these grounding stations are left active...

01:16:22:01 MCKAY (CONT'D): a sizable amount of electricity will find its way to ground and
no shield.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:19:38:06 MCKAY: Well, he must have entered his own personal command code.

01:19:40:06 KOLYA: What is it?

01:19:41:06 MCKAY: I don't know!

01:19:42:08 WEIR: Only Sheppard would know it.

01:19:44:05 MCKAY (O/S): Trust me, I'm not that brave.

01:19:45:03 MCKAY (CONT'D): I would help you if I could.

01:19:46:22 KOLYA: You have command codes.

01:19:54:22 SORA (INTO RADIO): It's no use. It's over.

01:20:02:26 SORA (INTO RADIO CONT'D): The gate has shut down. There are no more men
coming.

01:20:08:01 KOLYA (INTO RADIO): How many men made it?

01:20:11:04 SORA (INTO RADIO): Five. Five of 60.

01:20:24:05 MCKAY: You still need me if you want this city.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:20:30:07 MCKAY (CONT'D): You still need both of us.

END OF ACT TWO

STARGATE ATLANTIS -- "THE EYE" -- Episode #111**ACT THREE**

01:21:19:13 LADON: He's entered some sort of security code to lock down the gate. Just give me some time. I should be able to crack it.

01:21:25:21 SORA: Do it.

01:21:27:09 SORA (CONT'D INTO RADIO): Commander?

01:21:28:12 SORA (CONT'D V/O OVER RADIO): Ladon thinks he can have the gate fixed.

01:21:32:19 KOLYA (INTO RADIO): Did Athor's son make it through the gate?

01:21:34:19 SORA (INTO RADIO): I'm sorry?

01:21:36:27 KOLYA (V/O OVER RADIO): His name is Idos.

01:21:38:03 KOLYA (CONT'D INTO RADIO): Did he make it?

01:21:39:25 SORA (INTO RADIO): No, sir.

01:21:48:17 KOLYA (INTO RADIO): Over 60 men killed.

01:21:50:18 SORA (INTO RADIO): Defending his home and his people, Commander, as we would.

01:21:56:11 KOLYA (INTO RADIO): When can more reinforcements be sent?

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:22:55:20 KOLYA (CONT'D V/O OVER RADIO): which make it impossible for them to be restored.

01:22:58:02 SHEPPARD (INTO RADIO): Yeah, I did that.

01:23:00:27 KOLYA (INTO RADIO): There are two flaws in your plan.

01:23:03:14 SHEPPARD (INTO RADIO): I'm always open to constructive criticism.

01:23:05:20 KOLYA (INTO RADIO): One, the assumption I would believe you'd rather destroy the city than let it fall to us is childish.

01:23:13:03 SHEPPARD (INTO RADIO): Doesn't sound like me.

01:23:14:25 KOLYA (INTO RADIO): Second, if and when I determine Atlantis unsalvageable...

01:23:19:19 KOLYA (CONT'D V/O OVER RADIO): Doctors Weir and McKay become obsolete.

01:23:24:10 SHEPPARD (INTO RADIO): Weir is alive?

01:23:25:23 KOLYA (INTO RADIO): Dr. McKay was able to make a strong case for keeping her alive.

01:23:30:05 SHEPPARD (V/O OVER RADIO): Let me talk to her.

01:23:38:03 WEIR (INTO RADIO): Sheppard. We're both here.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:23:40:19 SHEPPARD (INTO RADIO): It's good to hear your voice.

01:23:43:07 WEIR (INTO RADIO): Yeah, it's good to hear.

01:23:46:09 KOLYA (O/S INTO RADIO): We have less than one hour...

01:23:48:08 KOLYA (CONT'D INTO RADIO): before the storm hits full-force.

01:23:50:18 KOLYA (V/O OVER RADIO): If the power is not returned...

01:23:52:15 KOLYA (CONT'D O/S INTO RADIO): to grounding station three within the next 10
minutes...

01:23:55:27 KOLYA (CONT'D INTO RADIO): Dr. Weir dies.

01:23:59:28 SHEPPARD (INTO RADIO): Again, you mean.

01:24:01:13 KOLYA (V/O OVER RADIO): Her death will buy you another 10 minutes, after
which...

01:24:04:24 KOLYA (CONT'D INTO RADIO): should the power still be out, Dr. McKay dies.

01:24:08:06 KOLYA (CONT'D O/S INTO RADIO): We will then leave with what we can...

01:24:10:07 KOLYA (CONT'D INTO RADIO): and the city will be destroyed.

01:24:12:01 SHEPPARD (INTO RADIO): Well, that's not enough time.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:24:13:28 KOLYA (V/O OVER RADIO): If you don't mind destroying Atlantis...

01:24:15:29 KOLYA (CONT'D INTO RADIO): stay where you are for the next 20 minutes...
starting now.

01:24:29:04 FORD: Don't load up so much. It'll slow you down. Two extra magazines each.

01:24:41:24 FORD (CONT'D): All right.

01:24:42:25 BECKETT: What do you need that for?

01:24:44:20 FORD: Anything I see moving is going to get shot.

01:24:46:01 BECKETT: So what if it's the Major?

01:24:47:15 FORD: Then he'll get hit with a Wraith stunner instead of a P-90.

01:24:50:10 BECKETT: What if he sees us first?

01:24:52:00 FORD: He'll probably hear you first.

01:24:53:19 BECKETT: Are you telling me to shut up again?

01:24:55:02 FORD: Again.

01:25:01:16 BECKETT: Right.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:25:13:16 FORD: Let's go.

01:25:21:24 TEYLA: Which naquadah generator would power the third grounding station?

01:25:24:15 BECKETT: You're asking me?

01:25:25:15 FORD: Whichever one it is, it's going to be an ambush. We've got to be there.

01:25:28:16 BECKETT: There's one here.

01:25:29:16 FORD: Is that a guess?

01:25:30:16 BECKETT: Aye, but it makes sense.

01:25:31:23 FORD: It's the closest. All right, I'll take point. Teyla, you're on our six. You, don't
open your mouth until I say so. Only shoot at what I tell you to shoot at.

01:25:38:27 BECKETT: You don't have to be so bloody pushy.

01:25:40:04 FORD: That's an order.

01:26:15:19 GENERATOR ROOM GUARD (O/S): Stop.

01:26:20:10 SHEPPARD: Look, your boss wanted me to turn this thing back on, so I think we
should do what he says.

01:26:24:10 GENERATOR ROOM GUARD: Be quiet.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:28:38:15 SHEPPARD: You turn around.

01:28:39:25 GENERATOR ROOM GUARD: What?

01:28:41:10 SHEPPARD: Well, if I have to turn around, you should turn around.

01:28:48:19 SHEPPARD (CONT'D): What the hell took you so long?

01:28:49:22 FORD: Well, there's this storm--

01:28:50:27 SHEPPARD: Just hold that thought.

01:29:01:21 KOLYA: It seems Major Sheppard wants you to live. Let's get back to work.

01:29:18:03 FORD (O/S): You okay, sir?

01:29:19:10 SHEPPARD (O/S): I've been better. Been worse. My shoulder's a little sore.

01:29:22:04 BECKETT (O/S): Do you want me to take a look at that?

01:29:23:18 SHEPPARD (O/S): I'll take a rain check there, Doc.

01:29:25:00 TEYLA: We should leave this area. More Genii will be on their way.

01:29:27:06 BECKETT (O/S): I couldn't agree more.

01:29:46:06 MCKAY: If this doesn't work...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:29:48:22 WEIR: It will.

01:29:49:26 MCKAY: I'm just saying, if it doesn't work...

01:29:51:05 WEIR (O/S): It will.

01:29:52:07 MCKAY: I'm sure it will, but in the unlikely event that it doesn't--

01:29:55:15 WEIR (INTERRUPTING): Rodney--

01:29:58:17 WEIR (CONT'D): Please.

01:30:32:29 KOLYA: Fantastic.

01:30:34:00 MCKAY: Oh, thank God.

01:30:41:07 SHEPPARD (O/S): McKay figures he can harness the storm's lightning to fire up
the shield.

01:30:44:18 BECKETT: This lightning?

01:30:45:27 FORD: SG teams have done it before to power a Stargate.

01:30:47:13 BECKETT: There's a big difference between a Stargate--

01:30:49:13 FORD (INTERRUPTING): I didn't say you could talk.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:30:57:21 MCKAY: Now... I need to run the subroutine that will convince the input...

01:31:02:12 MCKAY (CONT'D O/S): buffers in the shield generator to attenuate the raw electricity into usable power.

01:31:06:17 MCKAY (CONT'D): I can only do that from the control room. That's where Dr. Weir's...

01:31:09:27 MCKAY (CONT'D O/S): codes come in.

01:31:11:03 WEIR: Yes.

01:31:12:04 KOLYA: Only primary systems are operating. Sheppard has to repair the other generator.

01:31:16:24 MCKAY: The shield's considered a primary system.

01:31:19:29 MCKAY (CONT'D O/S): We're good to go...

01:31:21:26 MCKAY (CONT'D): but we have to go now...

01:31:23:06 MCKAY (CONT'D O/S): I mean now. I mean everybody, all your men.

01:31:26:16 KOLYA: What does that...

01:31:27:16 KOLYA (CONT'D O/S): have to do with my men?

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:31:29:00 MCKAY: Now that the grounding station's been deactivated...

01:31:31:11 MCKAY (CONT'D O/S): electricity will be free to flow through the conduits that line every corridor in the city.

01:31:36:17 BECKETT: What kind of a plan is that?

01:31:37:17 SHEPPARD: A Rodney McKay kind of plan. It's all we've got.

01:31:40:07 FORD: And it leaves us only one place to go.

01:31:42:16 TEYLA: Where the Genii will also be.

01:31:45:08 MCKAY: Now, the control room and Stargate operations are shielded, but the rest of the city...

01:31:51:27 MCKAY (CONT'D): Once the lightning starts to hit...

01:31:53:12 SHEPPARD: Anybody left in the hallway is as good as dead.

END OF ACT THREE

STARGATE ATLANTIS -- "THE EYE" -- Episode #111**ACT FOUR**

01:32:29:00 KOLYA (INTO RADIO): Why haven't you responded?

01:32:30:02 SORA (V/O OVER RADIO): She's here, Commander.

01:32:31:11 KOLYA (INTO RADIO): Who?

01:32:32:01 SORA (V/O OVER RADIO): Teyla.

01:32:32:21 SORA (CONT'D INTO RADIO): She and two others have joined Sheppard.

01:32:34:14 KOLYA (INTO RADIO): Why wasn't this reported sooner? Fall back to the control room immediately.

01:32:39:00 SORA (INTO RADIO): She's just out of my reach. If I am patient--

01:32:42:09 KOLYA (V/O OVER RADIO): I gave you an order.

01:32:43:26 SORA (INTO RADIO): She left my father for dead.

01:32:45:20 KOLYA (INTO RADIO): The storm is upon us. The city is no longer safe.

01:32:48:04 SORA (INTO RADIO): I don't care.

01:32:49:08 KOLYA (V/O OVER RADIO): Fall back.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:32:50:08 KOLYA (CONT'D INTO RADIO): You have my word. Your father will be avenged.

01:32:52:15 SORA (INTO RADIO): By me!

01:32:54:10 KOLYA (V/O OVER RADIO): Sor--

01:33:00:03 TEYLA (O/S): Will the young hunters in the Jumper be safe?

01:33:02:01 SHEPPARD (O/S): The Jumper bay's part of Stargate operations. They'll be protected.

01:33:05:03 FORD (O/S): Then maybe that's where we should be headed.

01:33:06:18 SHEPPARD: If the shield goes up over the city, Weir and McKay are expendable to Kolya. We got to take the control room first.

01:33:10:28 TEYLA: Would he really kill them just because they are of no further use to him?

01:33:13:27 SHEPPARD: No, he'd kill them to punish me.

01:33:15:20 SHEPPARD (CONT'D O/S): Now, here's the deal--

01:33:17:13 SHEPPARD (CONT'D): Ford and I get into position, just below the control room stairs. Teyla and Beckett head to the Jumper bay.

01:33:21:00 TEYLA: I intend to fight alongside you.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:33:23:01 SHEPPARD (O/S): And I intend you to fight with us. Once you get...

01:33:25:03 SHEPPARD (CONT'D): in position, lower the ship into the gate room open the
weapons pods. That should create enough distraction for Ford and me...

01:33:30:10 SHEPPARD (CONT'D O/S): to go in. We take back the control room...

01:33:32:06 SHEPPARD (CONT'D): get the shield up. City's saved. Weir and McKay saved.
Take the rest of the day off.

01:33:36:16 FORD (O/S): Sounds like...

01:33:37:16 FORD (CONT'D): a plan, sir.

01:33:39:27 SHEPPARD: Stay on channel two. Let's move out.

01:33:41:03 SHEPPARD (CONT'D O/S): You're not going to need that thing.

01:33:43:22 SHEPPARD (CONT'D): Shoot to kill.

01:33:53:18 LADON: The winds are getting stronger and the wave heights are growing.

01:33:57:10 WEIR: We need to keep stalling.

01:33:58:17 MCKAY: What for?

01:33:59:19 WEIR: Major Sheppard is still out there. If you activate--

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:34:01:18 KOLYA: Now, McKay.

01:34:03:03 MCKAY: It's done. Dr. Weir, I need you to enter your codes now.

01:34:07:16 WEIR: Yes, of course. Seven, nine...

01:34:13:03 WEIR (CONT'D O/S): Four, two, one.

01:34:15:08 MCKAY: Yes?

01:34:18:24 WEIR: Zero, three, two, four, five.

01:34:21:20 MCKAY: And the second sequence?

01:34:27:27 BECKETT: I'll be glad when this following-orders business is over--

01:34:33:13 SORA: Drop it!

01:34:36:26 SORA (CONT'D): I'll kill him.

01:34:47:15 SORA (CONT'D): I would hate to kill you so quickly.

01:34:51:15 TEYLA: I have known you for almost all your life.

01:34:53:09 TEYLA (CONT'D O/S): Why are you doing this?

01:34:54:26 SORA: You left him to die...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:36:02:05 KOLYA: Engage the shield.

01:36:03:08 MCKAY: I'm almost finished.

01:36:04:08 (BEEPING)

01:36:05:10 LADON: A massive wave is approaching from the West.

01:36:06:28 LADON (CONT'D O/S): Without the shield--

01:36:08:03 KOLYA: McKay!

01:36:13:13 MCKAY (V/O): We're starting to get hits on the Northern Pier.

01:36:15:17 MCKAY (CONT'D): Routing power to the corridor...now.

01:36:21:09 MCKAY (CONT'D): Now.

01:36:25:00 MCKAY (CONT'D): Now.

01:36:28:22 MCKAY (CONT'D): Okay, this is a problem.

01:36:30:22 KOLYA: What?

01:36:32:00 MCKAY: Look, I told you this was a long shot from the beginning.

01:36:34:18 LADON: We already have serious flooding...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:36:36:13 LADON (CONT'D O/S): on the North and West Piers.

01:36:37:13 MCKAY: It's no use. The city conduits just can't...

01:36:39:07 MCKAY (CONT'D O/S): handle this kind of raw power.

01:36:41:03 WEIR (O/S): Is any power getting to the shield generator?

01:36:42:19 MCKAY: Nominal amounts. Nowhere near enough.

01:36:44:19 KOLYA: You said this would work.

01:36:45:27 MCKAY: I don't know if you noticed or not, but I am extremely arrogant man who
tends to think all of his plans will work.

01:36:53:15 KOLYA: Idiot!

01:36:54:03 WEIR (O/S): Hey, this was a long shot at best.

01:36:57:07 WEIR (CONT'D): Why else would we evacuate the city? It was always our
intention to dial out in case this didn't work.

01:37:05:23 WEIR (CONT'D): Within minutes, Atlantis will fail.

01:37:09:05 WEIR (CONT'D O/S): You can leave and survive, or you can go down with the
city.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:37:17:02 WEIR (CONT'D): You choose.

END OF ACT FOUR

STARGATE ATLANTIS -- "THE EYE" -- Episode #111**ACT FIVE**

01:38:07:16 SORA: Ow.

01:38:17:08 MCKAY: We're just not getting enough power to the shield...

01:38:19:02 MCKAY (CONT'D O/S): generators.

01:38:19:21 WEIR (O/S): Are you really going to sacrifice...

01:38:20:21 WEIR (CONT'D): the lives of all of your men...

01:38:22:26 WEIR (CONT'D O/S): on the off-chance that this city...

01:38:24:12 WEIR (CONT'D): won't be completely destroyed?

01:38:30:17 KOLYA: Open the Stargate.

01:38:32:03 KOLYA (CONT'D O/S): Start evacuating the remaining men.

01:38:36:06 WEIR: You're making the right decision.

01:38:38:05 KOLYA: You're coming with us.

01:38:39:16 WEIR: What?

01:38:41:11 KOLYA (O/S): You'll both serve the Genii as payment...

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:38:42:16 KOLYA (CONT'D): for what you've done.

01:38:43:21 MCKAY: Oh, for what we've done?

01:39:13:18 SHEPPARD (INTO RADIO): Change of plan.

01:39:21:05 SHEPPARD: You got McKay.

01:39:22:00 MCKAY (O/S): Seriously, this is...

01:39:22:17 MCKAY (CONT'D): a bad idea. You saw what happened to my last plan. This is
not what—

01:39:26:10 (GUNFIRE)

01:39:33:24 SHEPPARD: You're not going anywhere.

01:39:38:14 SHEPPARD (CONT'D): I will shoot you if you don't let her go.

01:39:42:18 KOLYA: And risk hurting Dr. Weir?

01:39:47:17 SHEPPARD: I'm not aiming at her.

01:39:49:27 (GUNSHOT)

01:39:56:17 SHEPPARD: Find Teyla and Beckett. Make sure that's all of them. Sorry about
that.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:40:53:26 TEYLA: This must end now!

01:40:56:24 SORA: Then end it.

01:41:17:12 MCKAY: There's no more time. We either lose them or we lose the city.

01:41:25:02 WEIR: Rodney, go!

01:41:26:06 MCKAY: Going!

01:41:44:26 WEIR: What's happening?

01:41:46:08 MACKAY (O/S): It's working. It just needs to build up enough power...

01:41:47:25 MCKAY (CONT'D): for the shield to activate. Wait for it.

01:41:57:20 MCKAY: Carson.

01:41:58:21 BECKETT: Rodney.

01:42:00:06 MCKAY: You're just in time to see how this ends, huh?

01:42:10:04 MCKAY (CONT'D): Now.

01:42:23:09 WEIR: Nice work, Rodney.

01:42:24:24 MCKAY: Did you ever doubt me?

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:42:25:12 WEIR: Yes...

01:42:27:06 WEIR (CONT'D O/S): several times.

01:42:28:09 MCKAY: Oh.

01:42:28:19 SHEPPARD: I see you've made a new friend, Teyla.

01:42:45:20 SHEPPARD: What do you want to do with her?

01:42:47:12 WEIR: I don't know yet. We'll keep her locked up for the time being. Maybe releasing her back to the Genii would help ease tension between us.

01:42:54:28 SHEPPARD: You're extremely optimistic. You know that?

01:42:57:19 WEIR: You think so?

01:42:58:26 MCKAY: Everyone getting back okay?

01:43:00:16 SHEPPARD: Looks like it.

01:43:02:00 WEIR: How fares our city?

01:43:04:05 MCKAY: Well, we've begun pumping out the lower levels of the East Pier, which was flooded.

01:43:07:12 MCKAY (CONT'D O/S): There is structural damage, nothing too serious.

STARGATE ATLANTIS -- "THE EYE" -- Episode #111

01:43:09:11 MCKAY (CONT'D): Beckett's suffered from a minor concussion. I mean, look at this. I had to do this myself.

01:43:13:15 MCKAY (CONT'D O/S): Still, on the bright side...

01:43:15:26 MCKAY (CONT'D): I've had my first decent meal in 24 hours, so all things considered, I would say we are just fine.

01:43:21:13 SHEPPARD (O/S): They say these things happen...

01:43:22:13 SHEPPARD (CONT'D): every 20 years, right?

01:43:23:21 WEIR: That's what they tell us.

01:43:26:18 SHEPPARD: How far in advance can we book days off?
